# The Television Quiz 2008

As a result of the amazing generosity of many of those who entered our annual Quiz, we were proud to present ChildLine with a staggering **£533** towards the essential work carried out by the organisation. ***This total is £250 more than last year!!!***

I am delighted by the response that the Quiz creates each year with entries this year from England, Scotland, Ireland, Wales, Eire, France ..... and the Isle of Man AND the Isle of Wight ... and the United States of America!

It was the suggestion of a few entrants to our previous Quizzes that they were so much fun (and addictive) and that they were surprised that it was free to enter without a particular 'cause' benefiting. I am so proud and humbled by the response of those who have entered The Television Quiz this year. We received many donations in excess of £1 and also from those who were unable to complete the Quiz and yet wished to help with such a worthy cause.

I visited the Nottingham Branch of ChildLine and met with Corporate Fundraising Manager Jenni Cowlshaw and some of the team to hand over the donation – they were all so very grateful for the support and told me how much of difference it will make to so many children. ***On average it costs £4 for every call made to ChildLine..... so, every penny counts!***

Kind regards
